

Alignment space with students

Xing Yi

19.8.2020 (Wednesday)
8:30 pm-9: 30pm
Google Meets

Pei qin

Objectives of alignment space

1. Understand about the online workshop
2. Clear with the timeline of the online workshop
3. Clear any doubts
4. Have FUNNNN!!!!

Online workshop

What is online workshop?

1

2

3

4

1. LEARN NEW KNOWLEDGE

You will learn extra knowledge about food waste issue and how you can do to reduce the food waste from our **VOLUNTEERS!**

2. FUN CHALLENGES

We also having some fun and interesting challenges during the workshop! **MUST** join ya as you will be given prizes for the winner!

The challenges will not need to do online, our volunteers will update the challenges in telegram daily! So stay tune for the fun activities!

FUN FUN!

*Do join us as the winners
will be given prizes too!*

Details of the challenges will be reviewed by our volunteers during the workshop!!!

WOW!

It seems so fun, I wanna join them!

3. GAIN NEW FRIENDS

You will know friends from other class, school and also university students (organizing committee team and volunteers).

3. GAIN MORE FRIENDS

As students will be dividing into few group and afterwards you will get your own students buddy!

Everyone of you will be the action space team!
